VIDEOGRAPHY / DESIGN / SEO

EXPERIENCE

SEO & DESIGN SPECIALIST

Gray Matter Media, Inc. | Mar 2026 - Present

I create industry standard graphics for web, socials, Google Business Profiles, and Ad campaigns across Google PMax, Meta, Amazon, etc. Other primary roles include editing and managing all client websites as well as improving SEO traffic. Produced monthly performance reports and ROI analytics from all campaigns and accounts.

VIDEOGRAPHER & EDITOR

Pennsylvania Sea Grant | May 2023 – March 2024

Created industry standard engaging video content, motion graphics, and more. Assisted with content strategy across media platforms. Created educational videos on the control of invasive species/environments, how other people can report these species, and shared success stories of other researchers.

DIGITAL TEAM INTERN

PGA of America | May 2023

Contributed and learned live production techniques through the social media team, at the PGA Championship. I acted as a Camera/production assistant and videographer. Helping produce highlights or recaps of professional golfers, as well as capturing all other venue activities.
